Sir:

RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

In response to the communication of November 13, 2001, Applicant submits the enclosed drawings in compliance with 37 C.F.R. 1.84 for filing in the above-identified application. Applicant has mislaid the Notice to File Corrected Application Papers and therefore submits a copy of the Notice to File Corrected Application Papers received in a related case, application no. 09/975,241, with the appropriate changes marked in red.

Because these two applications were filed with identical specifications and drawings, Applicant believes the objections to the drawings would have been the same.

Therefore, Applicant respectfully requests that the enclosed drawings be entered
